Getting It Together Brokerage Application

GITS is funded by FaCS Alcohol & Other Drugs Program. Funding is available for young people aged 12-16 years with current/recent alcohol and/or drug misuse problems who require assistance to address a range of issues. It is acknowledged that young adults aged 17-24 years may experience difficulties accessing such services; therefore, some flexibility exists for providing services to these older clients.

Each brokerage application may be available for a maximum of \$300.

Brokerage will not be considered unless **all** sections of the application are completed. Incomplete applications will be returned.

Application must be returned by email and typed.

Handwritten and faxed applications will not be accepted.

If you would like additional information or would like to discuss this application further, please email gits@samaritans.org.au.
